Nissan Forklift

Nissan Forklift Training Barrie - Nissan takes immense pride in attaining overall consumer satisfaction, when their consumer is experiencing one of their numerous products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with solid processing principals, Nissan Forklifts offer some of the best materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering consumer support, the company has four distinct manufacturing facilities that allow them to continually adapt to their customers continually evolving requirements by providing a variety of innovative ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, fashioning, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental accountability by using methods and processes that limit their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their customers command while being an environmentally conscious organization.

Nissan is fairly certain that any of their customer's queries and client worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even going to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
